Stay Beck, Optimistic. Confidence. Engaged. These are the words that come to mind when asked to share a bit about myself. I am energized by being with others, collaborative with those I work with, and enjoy sharing good news in our communities. I feel extremely lucky to be able to do this through my work at Utah Valley Magazine, my service on Spanish Fork City Council, and as a co-host on Studio Chatter. I also currently sit on the Candy Bomber Foundation Board of Directors and the Intermountain Health Board of Trustees.

Brett Belliston has served in various leadership capacities for non-profits over the years including, Finance Chair for the Boy Scouts of America Utah National Parks and a former Board Member of TIFIE. Brett and Tammie focus on supporting charitable organizations that relieve the suffering of the most vulnerable among us. We strive to follow Jesus' teachings in Matthew 25:36-40 while teaching self sufficiency and sustainability in the process. The proverb "If we give a man a fish he eats for day but if we teach him to fish he eats for a lifetime." sums up how we believe we should support our Father in Heavens children. Tabithas Way embodies these principles are we are grateful to be a part of it.
